It's So QUICK!

Dear Parents,

There's an exciting opportunity to learn about saving for college and to provide resources for your child's classroom. Here's what you can do:

- Go to www.tnstars.com and take the FREE Interactive Guide.
- The guide is short and easy to navigate and there's no obligation to sign up.
- Spread the word! If 10 parents (only 1 per student) take the tutorial and provide the teacher's name, that teacher will qualify to receive money for resources.
- Remember, the deadline is December 31, 2013.

Prepare for your child's future and improve the classroom! It's a WIN-WIN!

Sincerely,

*The TNStars College
Savings 529 Program,
A Program of the
Tennessee Treasury Department*

It's So EASY!
